BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON, D.C. 20370-5100

TJR
Docket No: 3373-00
1 November 2000

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL OF RECORD [REDACTED]
[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments
(2) Case summary
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the United States Navy, filed enclosure (1) with this Board requesting that the characterization of his discharge be changed.

2. The Board, consisting of Messrs. McCulloch, Pfeiffer, and Zsalmán, reviewed Petitioner's allegations of error and injustice on 24 October 2000 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although it appears that enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Navy on 17 November 1947 at age of 17. At the time of Petitioner's enlistment he had completed 11 years of formal education. His general classification test (GCT) score was 47 which placed him in Mental Group III.

d. During Petitioner's period of service he was convicted by summary court-martial (SCM) of a 31 day period of unauthorized absence (UA) and sentenced to extra duty for two months, a \$240 forfeiture of pay, and a bad conduct discharge (BCD). Petitioner was also convicted by civil authorities of second degree robbery and sentenced to probation for four years.

e. On 5 January 1950, approximately four months after Petitioner's 19th birthday, he received a BCD.

f. Petitioner contends that he has had no other legal infractions since his discharge other than a couple of traffic tickets. A verbal report received from the Federal Bureau of Investigation (FBI) on 26 October 2000 confirms Petitioner's contention.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action. The Board's finding is based on Petitioner's youth and immaturity, limited education, good post service conduct as evidenced by a FBI report, and the nature of his misconduct. In this regard, the Board does not condone Petitioner's misconduct. However, the Board notes that his offenses occurred prior to his 19th birthday and concludes that given his obvious immaturity, he may have been unable to fully understand the life-long consequences of his misconduct and a punitive discharge. The Board also notes Petitioner's virtually unblemished post-service conduct.

Based on the foregoing, and considering the fact Petitioner has suffered the consequences of a BCD for more than 50 years, the Board concludes that no useful purpose is served by continuing to characterize Petitioner's service as having been under other than honorable conditions, and recharacterization to a general discharge is appropriate. Accordingly, the Board concludes that relief in the form of recharacterization of Petitioner's discharge is appropriate.

In view of the foregoing, the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he was issued a general discharge on 5 January 1950 vice the BCD actually issued on that same day.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed, or

completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
